

The Ministry of Finance is requesting financial technology and services companies in Ghana to provide their corporate profile to become a part of the financial inclusion database.

Please send the following as a foundation:-

1. Company Name
2. Date Founded
3. Number of Employees
4. Number of staff (across functions, e.g. management, technical, admin, sales)
5. Target clients (e.g. investment banks, retail, government agencies...)
6. Functional area served (e.g. compliance, payments, document management, big data...)
7. Description of the product
8. Product technology profile (e.g. web delivered with info on browser constraints, if installed basics on development languages used)
9. Website link

Send these details by email to FinancialInclusion@mofep.gov.gh by the 14th November, 2017.
